

The Business of Sports Network is undergoing a restructuring that will see several independent sites closed down. The [Biz of Football](#) , The [Biz of Basketball](#) , and The [Biz of Hockey](#) will soon close as independent sites. These URLs will remain associated to the Business of Sports Network.

The Biz of Baseball will not be affected

, and will remain in its current format.

Following the site shutdowns, a new site that covers all sports under one location will be created. Documents and other artifacts that were on the football, basketball, and hockey sites will then be moved there. Content from The Biz of Baseball will also be repurposed or summarized in this new site location, BusinessOfSportsNetwork.com.

We believe that in doing so, not only will we continue to provide support for basketball, football, and hockey, but branch into all aspects of sports business under one portal, allowing ease of access and continued growth.

We want to thank all those that have continued to support the Business of Sports Network, and we look forward to providing this fresh, new website in the coming days.

Best regards,
Maury Brown
