FOX Sports San Diego and DISH today announced that as of April 1, 2013, DISH San Diego customers will have access to the Padres, Clippers and Ducks, plus other local sports events for the Southern California franchises. FOX Sports San Diego will be available for local DISH customers with the America's Top 120 Plus and Latino Dos packages. Financial terms were not released.

The Padres receive \$200 million in upfront money as part of the Fox Sports San Diego rights deal valued \$1.2 billion over 30-years. The club has a 20 percent ownership stake in the regional sports network.

"We're delighted that DISH is making Padres on FOX Sports San Diego available to their valued customers," said Henry Ford, Senior Vice President and General Manager, FOX Sports San Diego. "On Opening Day 2013 Padres baseball will be delivered to more households than ever before."
